

**Rhonda Kropp, BSc, BScN, MPH**

**Director General, for the Marketed Health Products Directorate, Health Canada**

Rhonda Kropp has been working in health policy, programs and surveillance for over 20 years as a nurse, microbiologist, researcher and infectious disease epidemiologist. During her fifteen years with the Government of Canada, Rhonda has taken on a diversity of roles in the federal health portfolio in the areas of sexual health, travel health and infectious disease prevention and control before joining the regulatory environment. Rhonda was the proud recipient of the Chief Public Health Officer of Canada medal in 2017.
