

# *Celebrating* — 25 YEARS —

*of advancing research of therapeutic interventions to improve population health outcomes.*

## **1991**

A national Steering Committee was established to explore and define a vision for pharmacoepidemiology in Canada

## **1993**

The first Canadian Pharmacoepidemiology Forum was held in Toronto, ON

## **1993-1996**

Early national meetings focused on the development of pharmacoepidemiology as a discipline, and the identification and evaluation of data sources

## **1995-1996**

In 1996, CAPT-ACTP was formally established as a national association in Saskatoon, SK

## **1997-1998**

The inaugural CAPT-ACTP Board election was conducted, and the By-Laws were finalized

## **1998-2003**

CAPT-ACTP held a series of meetings across Canada to engage stakeholders and build a thriving CAPT-ACTP community

## **2004-2008**

CAPT-ACTP joined with the Canadian Society for Clinical Pharmacology, as well as the Canadian College of Clinical Pharmacy, to hold a Canadian Therapeutics Congress

## **2009**

Beginning in 2009, CAPT-ACTP returned to hosting our in-person annual conferences independently

## **2020**

For the first time in our history, CAPT-ACTP transitioned our annual conference to a virtual platform

## **2021**

CAPT-ACTP celebrates our milestone 25th anniversary
