

## Student Membership Program

### ONLINE STUDENT NETWORKING

Students joining the 2020 virtual Annual Conference can be part of online networking and learning opportunities.

### STUDENT ENGAGEMENT

Throughout the year, there are different opportunities for student members of CAPT-ACTP to profile their academic achievements or exciting work projects in the *Student Spotlight*, as a guest Blogger, or as a presenter in our webinar *Speaker Series*.

Follow us on Twitter:  
**@CAPT\_ACTP**

*“Great balance of industry, policy makers and academics.”*

*“Enjoyed all topics—appreciated the opportunity for student networking.”*

### Who are we?

CAPT-ACTP is a membership-based, not-for-profit organization comprised of members from scientific, research, academia, government, industry, consulting and patient community backgrounds.

Canadian research spans and reflects our diverse membership base and includes epidemiology, economics and policy decision-making across a number of disease strands and unique stakeholder interests.

### Our mission:

Our mission is to advance epidemiologic research of therapeutic and other health interventions in Canada. We achieve this by:

- Bringing together diverse perspectives in a neutral forum.
- Facilitating open exchange of ideas and collaboration.
- Influencing policy and practice.
