

CAPT-ACTP

BENEFITS OF STUDENT MEMBERSHIP

Student membership is open to those enrolled in an undergraduate or graduate program at a Canadian university. To learn more: <https://www.capt-actp.ca/students>

NETWORK

Network with academics, researchers, policy makers, thought leaders, health industry leaders and others.

Feature research projects and other achievements in the *Student Spotlight*.

Join a *Speakers Series* panel and virtually present to an audience of key stakeholders.

EVENTS

Register to join our 2021 virtual Annual Conference, **Evidence in a Time of Crisis**, taking place October 25-27, 2021.

Publish your research work in the *Journal of Population Therapeutics & Clinical Pharmacology*.*

*Eligibility for publication in the journal and consideration for CAPT awards are open to those with an accepted 2021 abstract only.

KNOWLEDGE

COMING IN THE FUTURE! Connect with a mentor to further develop skills, explore career paths and engage in life-long learning.

Stay informed about key issues in population health.

Gain valuable insights, share perspectives and exchange knowledge with leaders from many disciplines and sectors.

DEVELOPMENT

Compete for national awards in our best oral and best poster categories.*

Gain practical leadership experience serving as a student representative on our Board of Directors.

Learn about job opportunities, internships, postdoctoral fellowships, and more!
